

Bicycle Access Rules & Regulations

200 Liberty Street @ Brookfield Place

In accordance with the bicycle access law, an exception was filed with the Department of Transportation to provide an indoor, no-cost facility for parking bicycles located within the 200 Liberty Street parking garage (the "Facility"). This means that riders will not be able to bring their bicycles up to the tenanted floors of 200 Liberty Street. Should there be any questions related to this exception to the bicycle access law or the Bicycle Access Rules & Regulations set forth below, please contact the Building Management Office.

- Riders must be employees of tenants at 200 Liberty Street
- Riders must allow their bicycles to be registered with the Building Office at 200 Liberty Street
- Riders and their belongings are subject to search by Security before entering the parking garage
- Riders will gain access to the bicycle racks located in the parking garage via the parking garage entrance ramp located on Albany Street
- Riders will dismount from their bicycles, show proper ID to the Security Officer at the entrance to the garage, and walk their bicycles down to the allotted bicycle racks
- Riders will wear helmets while in the parking garage
- Riders will chain their bicycles to the allotted bicycle racks only
- Bicycles must be in good working order
- Bicycle spaces are first come first serve and riders may use one of the allotted spaces on the bicycle racks, making sure to not obstruct any of the other allotted spaces
- Riders must use the Parking Garage elevators to exit the parking garage upon parking and securing their bicycles
- Riders will enter the parking garage via the Parking Garage elevator entrance to recover their bicycles
- Riders must exit the parking garage with their bicycles via the parking garage exit ramp that lets out on to Albany Street
- Riders must walk their bicycles up the parking garage exit ramp upon leaving the premises
- Riders must remove their bicycles by 10 p.m. each night.
- Bicycles that are chained to something other than the allotted bicycle racks, take up more than one of the allotted bicycle spaces or have been left past 10 p.m. on a given night, may have their bicycle locks clipped and the bicycles may be discarded or stored at the bicycle owner's expense
- Riders who do not comply with these Bicycle Access Rules & Regulations may have their bicycle parking privileges suspended and/or terminated
- No entity with a direct or indirect interest in, or management responsibility for, any area or building in the World Financial Center (including, without limitation, lessees and lenders and affiliates, officers, employees and partners of such entities) (collectively, the "WFC Parties") shall have any responsibility for any lost, stolen or damaged property at the Facility.

By my signature below, I agree with the foregoing and hereby release the WFC Parties from any and all claims I may now or hereafter have relating to lost, stolen or damaged property at the Facility.
